The Central Muslim Burial Service is a non-profit organization that renders burial services to the Muslim community of Tshwane (Pretoria).

Central Muslim Burial is a broad based community organization operating within the City of Tshwane. It is NOT aligned ideologically or otherwise to any organization or individual.

We endeavor to work in conjunction with all other Muslim Burial Committees countrywide.

The aims and objectives are to establish, operate and maintain Muslim Burial Services, including assistance in releasing of a deceased from hospital or mortuary, transporting to Ghusal Centre, assistance in performance of Ghusal if requested, as well as assisting with all other arrangements necessary to bury a Muslim deceased.

To ensure that the tasks are performed with empathy, sincerity, honesty, integrity, dignity and humility and an understanding that the assistance is being rendered to a bereaved family who are the Ummatis's of Nabi (SAW).

Services provided:
