INTRODUCTION

All praise and blessings to Almighty Allah (SWT), The Most Beneficent and Most Merciful. We send salutations upon Rasulallah ﷺ (peace and Blessings be upon him).

As a leading media organisation, Radio Islam remains committed to delivering news, views, analysis, and religious guidance on various topics relevant to our community. Our mission is to promote peace, justice and harmony in the world while upholding the values of our religion amidst both challenges and opportunities.

Radio remains a vital medium for connecting with audiences, offering a diverse range of programming that informs, entertains, and engages listeners. It provides a unique platform for real-time communication and community involvement, continually adapting to the evolving needs and interests of its audience.

SCOPE OF THE REPORT

Radio Islam is excited to share its annual report, which details our performance and activities from September 2023 to August 2024. This report aims to update our listeners and the Radio Islam Board about our accomplishments and progress over the past year. The financial report covers the period from 1st March 2023 to 28th February 2024.

GHAZZAH COVERAGE

Since October 7th, Radio Islam has diligently covered the Ghazzah war, utilising our best resources. We maintain regular crossovers with activists and journalists, ensuring consistent updates on the situation.

The longstanding feature, "The Palestine Report with Ml. Ebrahim Moosa," has been a feature on Sabahul Muslim for several years, offering valuable insights into the Palestinian situation.

Furthermore, Radio Islam broadcasted the ICJ case at the Hague, featuring analysts who shared their perspectives following South Africa's presentation.

Additionally, key points from the proceedings were extracted and well-received, when posted on various social media platforms.

DECEMBER HOLIDAYS

- We maintained 13 hours of live programming every weekday.
- We also broadcasted several serialized discussions throughout December, which received positive responses.

AL AQSA WEEK

- For Al Aqsa Week this year, we had a very interesting campaign.
- The theme was "Why do Muslims Love Al Aqsa?" We covered various reasons under this theme, which served as a tool to educate our listeners on this blessed land's virtues and amazing aspects.
- At the same time, due to the current situation in Palestine, we asked listeners to write a letter, a message, or even a poem to a parent or a child in Ghazzah expressing their condolences and pledging their support. The responses were phenomenal, and the letters and messages were read on air during 'Sabaahul Muslim' and 'Your World Today'. They were also posted on social media platforms.
- The news team read out interesting and informative facts about Masjid al-Aqsa and Palestine after each bulletin.

SEERAH JALSA 2024/1444

- The annual Seerah Jalsa was held at Nurul Islam Masjid in January 2024, and Radio Islam continued as a media partner for the event.
- The Jalsa was broadcast live and streamed on Radio Islam's YouTube channel.
- Notably, this year's Seerah Jalsa was also hosted in Cape Town for the first time, and Radio Islam provided a live broadcast of the event.
- Also, a further Seerah Jalsa took place in Durban. This is a tradition that has been ongoing for several years, and Radio Islam broadcasted the event live.
- Alhamdulillah, all three venues received good attendance and positive feedback across various platforms.

SONA (State of the Nation Address) 2024

Once again, the team travelled to Cape Town for the State of the Nation address. Ebrahim Sha and Ml. M Bham were in Cape Town a few days before the SONA, assisting with the logistics and set-up prior to the event.

During the event:

- We improved our set-up to be above par against fellow Muslim media houses, which eased our operational functions.
- The team interviewed several high-profile ministers, and the interviews were broadcast on-air and on social media.
- Some of the videos went viral on social media, with one of them receiving over 100k views.
- The video of Minister Naledi Pandor increased our TikTok followers by over three thousand. We also received acknowledgement via retweets from the official government Twitter account.
- Radio Islam was the only Muslim media house to be allowed into the chamber during the speech.
- Our consistent presence at the SONA over several years has established our brand as a media house representing the Muslim community in the political hierarchy.
- Additionally, the team conducted the 27 Rajab and Jumu'ah programs during the stay in Cape Town.

15TH SHA`BAAN

As the sacred night approached, we explored the significance of this night and focused on the preparation for Ramadhan.

RAMADHAN BROADCAST 1445/2024

THEME:

This year, our Ramadan theme was "***The Greatness of Allah Ta'ala in the Human Body.***" Although the greatness of Allah Ta'ala is an expansive topic, we chose to spotlight on the human body, as instructed by Allah in the Qur'an.

و في انفسكم افلا تبصرون "Why don't you look at yourselves (and you will see My Greatness)?"

Our discussions were structured around three main programs: Sehri, Sabahul Muslim and Iftaar.

Sehri Program:

During the Sehri sessions, we primarily discussed the function of the head in the human body.

Sabahul Muslim:

The Sabahul Muslim program focused on the rest of the human body.

Iftaar Program:

In the Iftaar sessions, we delved into various topics related to the human body, such as the purpose of eyelashes, the reasons behind sneezing, and the experience of pain in the context of the central nervous system.

Social Media:

Daily posters on specific topics were also prepared and shared via WhatsApp, enriching our community's understanding of the wonders of Allah Ta'ala within our bodies.

ECHOES OF FAITH: A GLIMPSE INTO THE LIFE OF A MU'ATHIN

This year, we introduced a special feature called "Echoes of Faith - A Glimpse into the Life of a Mu'athin." We produced three episodes, each approximately 25 minutes long, to deepen our understanding and appreciation of the Mu'athin's role. This feature also sought to highlight the significance of the Athan and how we should respond to it.

Moulana Muhammed Kara conducted interviews with many Mu'athins from various provinces, covering several aspects of their lives and responsibilities, including:

- What inspired you to become a Mu'athin?
- Did you study any courses?
- What are your challenges?
- What is your daily routine?
- Salary issues
- How can the community support you better?

Through these episodes, we gained valuable insights into the dedication and challenges faced by Mu'athins, fostering a greater sense of appreciation and support within our community.

DRAMA: FOLLOWED BY TRUTH

During Ramadan, we launched a new drama series called **"Followed by Truth."** The series followed a woman's journey to Islam despite her family's disapproval.

The main character, Alison, a popular TikTokker, felt as if something was missing in her life. As she encountered current events online, she became curious about the Muslim way of life. In a world where Islamophobia is prevalent, Alison had to navigate through loyalty and self-discovery.

The series explored whether she would defy expectations and follow her heart's true calling or succumb to family pressures and online hatred. **"Followed by Truth"** captivated our audience with drama, tension, friendships, and emotional moments. It highlighted the beauty and resilience of our religion.

The series was exclusively aired on Radio Islam and received an overwhelming response from listeners.

DOCUMENTARY: GUARDIANS OF THE HOLY LAND, PRODUCED BY ML EBRAHIM MOOSA

During Ramadan, we showcased a new documentary series called "Guardians of the Holy Land: Palestine's Timeless Struggle." The series focused on Palestine's historical and ongoing quest for justice. Palestine is a region at the intersection of Asia and Africa and is central to the Arab and Muslim worlds.

Palestine, also known as the Holy Land and the Land of the Prophets, is home to Masjid al-Aqsa. Throughout history, this small region has captured global attention and been a focal point for the struggle between power and justice, truth and injustice. Bayt al-Maqdis remains the abode of the victorious ones, representing the strength of civilisations and a central concern for the Ummah.

"Guardians of the Holy Land" retold the epic story of Palestine's struggle for justice, airing weekdays throughout Ramadan on Radio Islam. The documentary received widespread acclaim for its insightful portrayal of this significant issue, reaffirming our commitment to raising awareness about the plight of the Palestinian people.

THE ULTIMATE SCHOOL QUIZ

This Ramadan, we revived "The Ultimate School Quiz," which challenged students to demonstrate their general knowledge, spelling, and Islamiyyat knowledge. The quiz involved nationwide schools, each represented by four students in grades 8 to 10.

The daily quiz took place Monday to Friday after Maghrib salaah. Each week's winners competed for fantastic prizes in the grand finale.

This year, 12 schools from various provinces participated, making it a national event. The Ultimate School Quiz was a highlight of our Ramadan programming on Radio Islam International, engaging and educating young minds in a fun and competitive environment.

Throughout Ramadan, our social media platforms experienced significant growth and engagement due to a variety of enriching content:

- **Daily Spiritual Videos:** We featured daily spiritual videos by several esteemed Ulama, which provided guidance and inspiration throughout the holy month.
- **Suhoor and Iftaar Recipes:** We shared delicious and practical recipes for Suhoor and Iftaar, helping our community prepare nourishing meals.
- **Qiraat by Qurraa:** We showcased different Qiraat by renowned Qurraa, enhancing the spiritual ambience of Ramadan.

Our efforts paid off as we saw notable growth in our social media following, with several videos going viral and reaching a wide audience. This increase in engagement and reach allowed us to spread valuable content and connect with our community more effectively during this blessed month.
